

Advertising Opportunity:

This year to celebrate the 10th Pooncarie Field Day we will be developing a larger program that will be printed early and available from businesses across the region, mail delivery and on the day. We see this as an opportunity to provide our exhibitors with the opportunity to reach all our patrons and members of the wider community. It also gives our patrons the chance to look back and follow up with contact details of all our exhibitors.

If you would like to be a part of this unique advertising opportunity, you must provide an add that fits the dimensions below and ensure the advertisement and full payment is received no later than 3rd April 2017.

Community Auction - Get involved!

An important part of the Pooncarie Field Day is fund-raising for Health and Education Service providers in the district. This is achieved by hosting a '**Community Auction**' where we auction the products and wares that are kindly donated by our event exhibitors and supporters. The auction is held at the conclusion of the Field Day. The funds raised are donated directly to community organizations including Pooncarie Outpatients, The Royal Flying Doctors and the Pooncarie Outreach Children's Service.

This is a very popular event, and we would like to give businesses the opportunity to maximize coverage of their donation. A list of all auction items will be included in the program available prior to the field day. Please note some items will be auctioned together, however each donation will be separately listed and acknowledged.

If you would like to be a part of this special event please provide a brief description of the item/s you are wishing to auction.

Estimated Value: Reserve (for larger items if required):

**** Please note to gain the maximum advertising benefit from your donation, the donation item needs to be advised by 3rd April 2017 to be included in the program. Donations after this date will still be accepted.**
